SECTION 1 - GENERAL INFORMATION

This policy is underwritten by The Manufacturers Life Insurance Company (“Manulife”). Manulife has appointed Active Case Management (2018) Inc. (operating as Active Care Management) as the provider of all assistance and claims services under this policy.

Italicized Words have a specific meaning. Please refer to the “Definitions” section of this policy to find the meaning of each italicized word.

Notice Required by the Alberta Insurance Act: This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

10-Day Free Look – If *you* notify *us* within 10 days of *your* purchase date, as indicated on *your* confirmation, that *you* are not completely satisfied with *your* policy, *we* will provide a full refund if *you* have not already departed on *your* trip and there is no claim in progress. Refunds are only available when Manulife receives *your* request for a refund before *your* departure date.

Everyone wants to have a carefree trip and should be able to travel with confidence in their travel insurance purchase. Most Canadians travel every day without a problem, but if something does happen, the member companies of the Travel Health Association of Canada (THiA) want you to know your rights. THiA’s Bill of Rights and Responsibilities builds on the golden rules of travel insurance:

- Know your health • Know your trip • Know your policy • Know your rights

SECTION 2 - IMPORTANT INFORMATION

IMPORTANT NOTICE – PLEASE READ CAREFULLY

You have purchased a travel insurance policy - what’s next? We want you to understand (and it is in your best interest to know) what your policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through your policy before you travel. Italicized terms are defined in your policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. accidents and emergencies) and typically not follow-up or recurrent care.
- To qualify for this insurance, you must meet all of the eligibility requirements.
- This insurance contains limitations and exclusions (i.e. medical conditions that are not disclosed by you, pregnancy, child born on trip, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to pre-existing medical conditions.
- Contact our Assistance Centre before seeking treatment or your benefits may be limited.
- In the event of a claim your prior medical history may be reviewed.
- If you have been asked to complete a medical questionnaire and any of your answers are not accurate or complete, your policy will be voidable.

It is your responsibility to understand your coverage. If you have questions, call 1 877 884-8283 or (519) 251-7417.

IMPORTANT: If *you* have any change in *your* health status and/or *change in medication or treatment*, between the date *you* completed the application for this coverage and *your* effective date, *you* must notify *us* by calling 1 877 884-8283 or (519) 251-7417. In addition, if *you* have purchased a Multi-Trip Plan, *you* must also notify *us* if there is any change in *your* health status and/or *change in medication or treatment* after *your* effective date. Otherwise, any such change may render *your* coverage null and void.

**In the event of an *emergency*,

If it is medically impossible for *you* to call, please have someone call on *your* behalf. *You* must call the Assistance Centre before obtaining *emergency treatment*, so that we may confirm coverage and provide pre-approval of *treatment*.

SECTION 3 - ELIGIBILITY

TO BE ELIGIBLE FOR INSURANCE UNDER THIS POLICY, *you* must be a resident of Canada, and covered under a *government health insurance plan*. *You* must have coverage for the entire duration of *your trip* away from *home*. *You* must have completed *your* application (including the *medical questionnaire*), have had *your* health history reviewed by *us*, received a *Medical Underwriting Agreement* from *us*, and paid the required premium in full.

SECTION 4 - EMERGENCY MEDICAL INSURANCE

This policy provides *emergency* medical coverage for the plan type *you* have purchased:

- a *Single-Trip* plan for travel outside *your* province of residence or Canada, or
- a *Multi-Trip* plan for an unlimited number of *trips* outside *your* province of residence or Canada, taken within one (1) year of the *effective date* for the *trip* length as shown on *your confirmation*.

Benefits – What does *Emergency Medical Insurance* cover?

Emergency Medical Insurance covers *you* for up to \$10,000,000 CDN of covered expenses as a result of an *emergency* while on a *trip*, only if these covered expenses are not covered by *your government health insurance plan* or any other benefit plan. A medical *treatment* plan endorsed by *your* attending *physician* and accepted by the Assistance Centre, will be developed to provide medically necessary *treatment*. After *your* medical *emergency treatment* has started, the Assistance Centre must assess and pre-approve additional medical *treatment*.

Covered expenses and benefits are subject to the policy's maximums, exclusions, limitations and *your* deductible amount. Deductible amount means the amount of covered expenses that *you* are responsible for paying per person per *emergency* medical claim. *Your deductible amount* in Canadian dollars applies to the amount remaining after any covered expenses are paid by *your government health insurance plan*. The *deductible amount* is shown on *your confirmation* and applies to each claim.

The eligible benefits are:

2. **Expenses to receive paramedical services** – We will pay for care received from a licensed chiropractor, osteopath, physiotherapist, chiropodist or podiatrist, up to \$70 per visit to a combined maximum of \$700 for a covered *injury*.

5. **Expenses to bring someone to *your* bedside** – If *you* are travelling alone and are admitted to a *hospital* for three (3) days or more because of a medical *emergency*, we will pay the economy class fare via the most cost-effective itinerary for someone to be with *you*. We will also pay up to \$1,000 for that person's hotel and meals. Please note: This person is not covered under *your* insurance and should consider purchasing his/her own travel medical insurance.
6. **Extra expenses for meals, hotel, and taxi** – If a medical *emergency* prevents *you* or *your travel companion* from returning *home* as originally planned, or if *your emergency treatment* or that of *your travel companion* requires *your* transfer to a location that is different from *your* original destination, we will reimburse *you* up to \$200 per day to a maximum of \$2,000 for *your* extra meals, hotel, and taxi fares. We will only pay for these expenses if *you* have actually paid for them.

 - the cost to have your body prepared or cremated where you die; and
 - the return home of your ashes or your body (in the standard transportation container normally used by the airline); or
 - your burial where you die.
 Also, if someone is legally required to identify your body and must travel your place of death, we will pay the economy class fare via the most cost-effective itinerary for that person, as well as up to \$300 for that person's hotel and meal expenses. Note: This person is not covered under your insurance and should consider purchasing his/her own travel medical insurance.
8. **Expenses to bring you home** – If your treating physician recommends that you return home because of your emergency or if our medical advisors recommend that you return home after your emergency, when approved and arranged by the Assistance Centre, we will pay for:
 - the extra cost of an economy class fare via the most cost-effective itinerary; or
 - a stretcher fare on a commercial flight via the most cost-effective itinerary, if a stretcher is medically necessary; and

The children must have been under your care during your trip and covered under a Manulife travel insurance policy.
10. **Expenses to return your travel companion home** – When approved in advance by the Assistance Centre, we will cover the extra cost of one-way economy airfare via the most cost-effective itinerary, to return your travel companion (who is travelling with you at the time of your emergency and insured under a Manulife travel insurance plan) home, if you return home under Benefit #7 or #8.
11. **Phone call expenses** – we will pay for phone calls to or from our Assistance Centre regarding your medical emergency. You must provide receipts or other reasonable evidence to show the cost of these calls and the numbers phoned or received during your trip.
12. **Expenses to return your vehicle home** – If because of a medical emergency you or your travel companion are unable to drive home the vehicle you used during your trip, when approved in advance by the Assistance Centre, we will cover up to \$3,000 charged by a commercial agency to bring your vehicle home. If you rented a vehicle during your trip, we will cover its return to the rental agency.
13. **Terrorism Coverage** – When an act of terrorism directly or indirectly causes an eligible loss under the terms and conditions of this policy, coverage is available for up to two (2) acts of terrorism within a calendar year and up to a maximum aggregate payable limit of \$35 million for all eligible in-force policies issued and administered by us. The amount payable for each eligible claim is in excess of all other sources of recovery including alternative or replacement travel options and other insurance coverage. The amount paid for all such claims shall be reduced on a pro rata basis so as to not exceed the respective maximum aggregate limit which will be paid after the end of the calendar year and after completing the adjudication of all claims relating to the act(s) of terrorism.

SECTION 7 - WHAT ELSE DO YOU NEED TO KNOW?

Coverage under this policy is issued on the basis of information provided in *your medical questionnaire* and application. *Your* entire contract with *us* consists of: this policy, *your* application for this policy (including the *medical questionnaire*), the *Medical Underwriting Agreement*, the *confirmation* issued in respect of that application, and any other amendments or endorsements resulting from extensions of coverage.

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact in *your* application for this policy, extension or Top-Up of coverage for benefits under this policy.

We will not pay a claim if *you*, any person insured under this policy or anyone acting on *your* behalf attempt to deceive us or makes a fraudulent, false or exaggerated statement or claim. *You* must be accurate and complete in *your* dealings with us at all times.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus. Neither *we* nor *our* agents or administrators are responsible for the availability, quality or results of any medical *treatment* or transportation, or for *your* failure to obtain medical *treatment*.

Despite any other provisions of this contract, this contract is subject to the applicable statutory conditions in the Insurance Act, as applicable in *your* province or territory of residence respecting contracts of accident and sickness insurance.

Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor our agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of the appropriate premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a contract number appears and *we* have received *your* completed application (including the *medical questionnaire*) prior to *your departure date*. If the premium is insufficient for the period of coverage selected, *we* will charge and collect any underpayment; or shorten the policy period by written endorsement if an underpayment in premium cannot be collected. Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

How does this insurance work with other coverages that *you* may have?

The coverages outlined in this policy are second payor coverages. Along with this coverage, *you* may have other third-party liability, group or individual, basic or extended health insurance plans or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical or therapeutic coverage or any other third-party liability insurance. In this case, amounts payable under this insurance are limited to that portion of *your* expenses, incurred outside the province or territory of residence, that are in excess of the amounts insured by *your* other in-force plans or contracts.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will coordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum of \$50,000 or less), to a maximum of the largest amount specified by each insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and cooperate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy.

SECTION 8 - HOW TO MAKE A CLAIM

**In the event of an *emergency*,
call the Assistance Centre immediately:
1 877 884-8189 toll-free from the USA and Canada

Visit <http://www.active-care.ca/en/travelaid/> to download the app.

Please note that **if *you* do not call the Assistance Centre in an *emergency* prior to receiving *treatment*, *you* will have to pay 20% of the eligible medical expenses *we* would normally pay under this policy (20% co-insurance).**

If it is medically impossible for *you* to contact the Assistance Centre when the *emergency* happens, the 20% co-insurance will not apply. In this case, *we* ask that *you* contact the Assistance Centre as soon as *you* can or that someone do so on *your* behalf. **Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that the Assistance Centre has been contacted.**

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, these eligible expenses will be reimbursed to *you* based on the *reasonable and customary* charges that *we* would have paid directly to such provider. Medical charges that *you* pay may be higher than this amount; therefore, *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary* charges reimbursed by *us*. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

To make a claim due to *sickness* or *injury* during *your trip*, *your* proof of claim must be sent to *us* within ninety (90) days of *your* loss.

If *you* are making an *Emergency Medical Insurance* claim, *we* will need: a) original itemized receipts for all bills and invoices; b) proof of payment by *you* and by any other benefit plan; c) medical records including complete diagnosis by the attending *physician* or documentation by the *hospital*, which must support that the *treatment* was medically necessary; d) proof of the accident if *you* are submitting a claim for dental expenses resulting from an accident; e) proof of travel (including *departure date* and return date); and f) *your* historical medical records (if *we* determine such to be applicable).

To whom will *we* pay *your* benefits if *you* have a claim? Except in the case of *your* death, *we* will pay the covered expenses under this insurance to *you* or the provider of the service. Any sum payable in the event of *your* loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount is not payable under *your* policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, *we* will use *our* exchange rate on the date *you* received the service outlined in *your* claim. *We* will not pay for any interest under this insurance.

Is there anything else *you* should know if *you* have a claim? If *you* disagree with *our* claim decision, the matter may be submitted to arbitration under the arbitration law in the Canadian province or territory where *your* policy was issued. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is barred unless commenced within the time set out in the Insurance Act, or in the Limitations Act, 2002 in Ontario, or other applicable legislation.

To determine the validity of a claim under this policy, we may obtain and review the medical records of *your* attending *physician(s)*, including the records of *your* regular *physician(s)* at *home*. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, we have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, we have the right to request an autopsy, if not prohibited by law.
